Thank you for your interest in working at Center Day Camp this summer. Center Day Camp is extremely proud of the counseling staff we hire. We recruit highly motivated and energized staff to work together as a cohesive team. Each summer we have a core group of returning staff as well as a number of new staff who bring their own unique experiences with them. Counselors at Center Day Camp understand that they are professionals and are dedicated to being role models for the campers in their care.

Enclosed is a Summer 2009 Counselor Application and three reference forms. Three written references are required to complete your application. Please mail the Counselor Application back to us as soon as possible and ask your references to do the same. We will contact those applicants we are most interested in and schedule an interview.

All positions require a nine and a half week commitment starting on June 15 and ending on August 18 (Monday – Friday). Leadership positions begin on June 10 and end on August 18. **THE PRE-CAMP TRAINING IS MANDATORY.**

Please send the completed application to:
