Welcome to Center Day Camp Summer 2009!

We are so excited about our offerings this summer and want to share them with you. Summer at Center Day Camp is an experience infused with energy, learning and fun. Campers come away from their summer having built strong friendships and created life-long memories. In addition to our 8 week renowned program, we are thrilled to include the following additional programs:

- **BACK BY POPULAR DEMAND....** Challenger Sports British Soccer Program will run a four day ongoing soccer clinic during Week 2 – join them for a morning, a day or four days!

- CDC will again offer a **RIDING PROGRAM** during Weeks 7 and 8. This summer's camp will be held at New Boston Farm in Grey! The farm's website is: www.newbostonfarm.com. We only offer 8 spaces, so register early. (please note there is an additional fee)

- The **QUEST** program, is a specialized activity program for campers entering 8th and 9th grade. Campers design an individualized activity schedule with the guidance of our program director. This program gives campers the opportunity to concentrate on two or three areas of their specific interest.

- The **Ninth Week Returns** – once camp is over – campers entering second grade and up are invited to stay on to enjoy a week of intensives, choose between one of the following: **SOCCER** **BASEBALL** **POTTERY** **SAILING**

We encourage registration prior to April 1. Camper spots are filled on a first come first serve basis and wait lists will be created as needed. Camper registration forms are included in this packet - please fill out on per child, if you need additional forms please visit our website, www.centerdaycamp.org , and go to *Quick Downloads*.
